- *Abdul Hannan, QA/QC Manager*

GUJARAT NARMADA VALLY FERTILIZERS

"We sincerely thank TCR and its team for carrying out failure analysis in a very detail, systematic, methodical and scientific manner. The analysis not only highlights mode and various reasons of failure, but it also throws light on the operational aspects, which might have played an important role in the initiation and which might have been the main cause of the failure. This aspect will help us in taking preventive actions for future."

- *M Y Joshi, Manager*

GODREJ INDUSTRIES LIMITED

"TCR also provided services on Remaining life Assessment of aged components by destructive analysis. We have got benefited by the getting Repair Weld Procedures of aged Incoloy 800H header joints by TCR."
